

## Breakwater Hotel – The new Jewel of South Beach

Exciting changes are coming to the city of the cool.

Jordache Enterprises is combining the Breakwater Hotel and the Edison Hotel located at 10th and Ocean Drive, into the new Breakwater South Beach Hotel. The two historic buildings in the heart of South Beach are currently being renovated and are scheduled to open by spring of 2010 as a new and re-designed 100-room hotel.

Breakwater Hotel South Beach will be a high-end, chic boutique hotel featuring two fabulous restaurants and a scenic roof-top lounge offering a sophisticated and relaxing atmosphere.
